—A TRUE FAMILY FESTIVAL!

Festival History

In 1979, a group of dedicated business owners and community members celebrated Cashmere's 75th year,

with a Diamond Jubilee. From that celebration evolved what is now known as Founders' Days Festival. We have grown from a one day community event to a weekend of family fun for visitors from around the State.

The Cashmere Chamber and Cashmere Pioneer Village & Museum have honored different founders of the Cashmere Valley each year, including Native Americans, homesteaders, business owners, growers, and civic leaders. Incorporated in 1904, Cashmere celebrated its Centennial in 2004 with pride for its history and promise for its future.

Join our community celebration, together others who believe Cashmere and its people are an asset to North Central Washington and Washington State.

2010 SPONSORSHIP OPPORTUNITIES

We cordially invite you to participate in providing support to the Founders' Days Festival with one of three following choices.

Cashmere Valley Bank employees lead off the 2009 Grand Parade

Monetary Sponsorship

We offer several levels of sponsor recognition, designed to meet all budgets. Please note the breakdown of the levels and benefits.

Products and Services

Whether it's festive downtown flags and banners or food and drink for hungry parade guests, many businesses sponsor the Festival by donating a product or service. Again, note the breakdown of levels and benefits, listed to the right.

Combination Sponsorship

This is another option that combines both a monetary and a product/service sponsorship. For example, you may pay a monetary donation of \$300, plus donate food for the volunteers valued at \$200. This would put you at a **Mt. Cashmere Sponsor** level.
